Temporary Waivers from Periodic
Reporting of Service Performance
Measurement

Docket No. RM2011-1

ORDER SCHEDULING TECHNICAL CONFERENCE

(Issued November 8, 2010)

On October 1, 2010, the United States Postal Service Request for Temporary Waivers from Periodic Reporting of Service Performance Measurement (Request) was filed. Therein, the Postal Service seeks specific temporary waivers of service performance measurement reporting requirements and presents a plan for becoming fully compliant with all reporting requirements in the future. Subsequently, the Commission issued Chairman's Information Request No. 1 on October 28, 2010 for the purpose of clarifying the Postal Service's proposals presented in the Request.

Because of the complex issues raised by the Request and the need to fully understand the Postal Service's proposals, the Commission is scheduling a technical conference for November 17, 2010 at 10:00 a.m. in the Commission's hearing room. The Postal Service should have technical experts available to answer questions that

may be raised by Commission staff or the public. It would be helpful if the Postal Service could be prepared to address any relevant questions pertaining to its Request, and be prepared to elaborate on potential follow-up questions to the Chairman's Information Request. The proceedings will be webcast.

It is ordered:

A technical conference will be held November 17, 2010, beginning at 10:00 a.m. in the Commission's hearing room to discuss issues related to the matters that are the subject of this proceeding.

By the Commission.

Shoshana M. Grove
Secretary
